Songwriters: Joe Cuyar, Laura Beth Cuyar, Jeff Spears, Sheree Wright  
Key: D BPM: 79 Time: 4/4

## VERSE 1

1 4 6 5  
I've lived in the desert I've trudged through sand  
1/3 4 6 5  
My soul was weary, too weak to stand  
1 4 6 5  
I thought my blessings came by my own hand  
1/3 4 6 5  
I won't go back now that I've seen your plan

## PRE-CHORUS 1

2 1/3  
What started as a trickle soon became a stream  
4 5  
It widened to a river then washed over me

## CHORUS

1 5  
We come, we come  
1/3  
We come to drink the water  
4  
Wells of living water  
1 5  
We come, we come  
1/3  
With joyful expectation  
4  
Draw from your salvation

## VERSE 2

Your love rolls on, rolls on like ocean waves  
Cleansing, refreshing, washing fear away  
As mountain springs you flow with endless grace  
Every drop as fresh as mercy's rain

## PRE-CHORUS 2

2 1/3  
What started as a trickle soon became a stream  
4 5  
It widened to a river then washed over me  
2 1/3  
What started as whisper soon became a roar  
4 5  
This rushing flood of blessing satisfies forevermore
