Don't let my soul get weary
I'm tired and I'm in need of you, Lord
You, Lord
I'm thirsting for living water
And every well runs dry but you Lord
You, Lord
So I will bring
This offering

I'll bring a sacrifice of praise
Come and set it all ablaze
Only you could get the glory from
These ashes and flames
So I will bring
This offering

There is no other fountain
There is no other source but you, Lord
You, Lord
No one lights up the darkness
Like the Light of the World; It's you, Lord,
You, Lord
So I will bring
This offering

So would you
Have it all
Have it all, Jesus
Have it all
Have it all, Jesus
Have it all
Have it all, Jesus
Let your fire fall on this sacrifice
